*Building healthier communities through clean water education*

Nashville's Metro Water Services, the Tennessee Department of Environment & Conservation and the Tennessee Stormwater Association have teamed up together to host the 2nd Annual 5K Urban Runoff run in Nashville. The fun-packed water quality festival will be full of prizes, activities and booths from our sponsors and local partners to communicate the importance of improving stormwater quality in achieving healthier streams, rivers and lakes for our good health, wildlife and recreational enjoyment.

The run begins at 8:30 a.m. at the Bicentennial Mall and weaves its way through downtown past several cool and innovative green stormwater management practices.

Runners/Walkers of all abilities are encouraged to participate. Festivities are for the whole family to enjoy, so feel free to bring children and/or pets.
